

Dear Church Family,

Numerous times we see in Scripture God's provision for His people through His faithful love. In fact, God gives more abundantly than we could ever imagine. "He is Able" is the next step for our church in seeking the Lord's provisions for the remaining financial balance we owe on the construction for our new kids building and lobby.

The new space is simply amazing and has exceeded our expectations. Whenever we set our original goals for the construction project, we desired to have 1) more kids space, 2) an expanded lobby, and 3) additional adult Life Group rooms. I believe as a church, we could not be more satisfied with the end results.

Please prayerfully consider how you can be a part of "He is Able." In the coming weeks, we will share more about ways you can be involved. Our church needs you to continue your faithful and sacrificial giving to the Lord. I pray that you will experience the joy of giving through "He is Able." I am excited about the days ahead as we pursue God together.
