**June 10th-June 15th**

Total Cost: \$300

Where are we going? Birmingham, AL

**Requirements For The Trip:** Students going into their eight grade year will be eligible to go. All participants must have a relationship with Christ, articulate their faith in Christ and must actively be involved in a local evangelical church.

**What Will We Be Doing?** World Changers construction projects are mission trips designed specifically for student ministries eager to serve in the capacity of construction missions. World Changers partners with local city agencies and churches to mobilize volunteers needed to help them serve local residents. Participants spend a week serving on crews with students and adults from other churches—completing assignments ranging from painting and roofing to building handicap ramps—all to improve the quality of life for local residents.
